

Student training agreement

Private training policies and parent or guardian consent

This agreement records the selected lesson, payment terms, scheduling rules, and safety expectations. Any required liability release or range waiver is separate. Each student needs their own agreement. A parent or legal guardian must also complete the minor consent page for a student aged 16 or 17.

Student name _____ Date of birth _____

Email _____ Phone _____

Lesson date _____ Start time _____ Central Time

Selected option _____ Amount paid \$ _____

Initials _____ **Payment** I understand that all lessons must be paid in full before the appointment. The four-lesson package is optional and follows a separately booked first lesson.

Initials _____ **Included items** The range fee and provided eye and hearing protection are included. Provided-firearm use is included for the first lesson.

Initials _____ **Later firearm use** Provided-firearm use for later lessons is additional at \$50-\$75 depending on the firearm. The applicable charge must be confirmed before the lesson.

Initials _____ **Ammunition** Ammunition is additional. I may bring suitable factory-loaded ammunition for any firearm used in the lesson. Texas Guns offers optional student wholesale pricing. About 500 rounds per student is a planning amount; there is no requirement to fire them all.

Scheduling and attendance

Initials _____ Booking and notices First lessons are booked online at least 72 hours ahead. Follow-up appointments are arranged directly with Troy. I must email cancellation or rescheduling notices to pewpew@texasgunsinc.com. Notice is measured from receipt of my email to the scheduled start in Central Time.

Initials _____ At least 72 hours notice I may reschedule without a fee when I provide 72 hours or more notice.

Initials _____ First lesson cancellation credit If I cancel my first lesson with at least 72 hours notice, my payment remains available as credit to reschedule that lesson. No cash refund is issued.

Initials _____ 48 to less than 72 hours notice Rescheduling during this window incurs a \$75 fee per appointment. A shared parent-and-teen appointment has one \$75 fee total. If I cancel my first lesson during this window, my payment remains as credit only, with no cash refund. I must pay the \$75 fee when I rebook. The credit still expires six months after the original payment date.

Initials _____ 24 to less than 48 hours notice That lesson payment is forfeited. For a package, one lesson credit is used. This is not counted as a no-show.

Initials _____ Less than 24 hours notice That lesson payment is forfeited and the appointment counts as a no-show. For a package, one lesson credit is used.

Initials _____ Arrival and lateness I should arrive 15 minutes early. Arrival less than 15 minutes after the scheduled start does not extend the end time. Arrival 15 minutes or more after the scheduled start counts as a no-show, and that lesson payment is forfeited. The safety briefing is never skipped.

Initials _____ Failure to attend Not attending the appointment counts as a no-show and forfeits that lesson payment. For a package, one lesson credit is used.

Initials _____ First appointment no-show A no-show for my first appointment makes me ineligible for additional lessons.

Initials _____ Two package no-shows Two no-shows during my four-lesson package forfeit all remaining unused lessons without a refund.

Credit and package terms and safety

First lesson payment date _____ Credit expiration date _____

Initials _____ First lesson credit expiration My first-lesson rescheduling credit expires six months after the original payment date. I must complete the lesson by that date. Any unused credit is forfeited, subject to the cancellation provision below. Rescheduling does not restart the six-month period.

Package purchase date _____ Six month expiration date _____

Initials _____ Package refunds My four-lesson package is non-refundable. Unused lessons remain available until its original six-month expiration date, subject to the attendance and forfeiture rules.

Initials _____ Package expiration My four-lesson package expires six months after purchase. Any unused lessons are forfeited at expiration, subject to the instructor cancellation provision below. The exact expiration date will be recorded above when a package is purchased.

Initials _____ Weather and instructor cancellations Unsafe weather, range closures, or an instructor cancellation allow rescheduling without a fee or loss of a lesson credit. Package or first-lesson credit expiration is extended when necessary to accommodate the replacement lesson.

Initials _____ Required paperwork All required agreements, initials, signatures, and any applicable parental consent must be complete before training starts. I understand that training cannot begin without them.

Initials _____ Safety and conduct I must follow instructor and range safety directions immediately. Unsafe conduct, ignoring safety commands, or refusing directions ends training for that day and forfeits that lesson payment. For a package, one lesson credit is used.

Initials _____ Questions and stopping If I do not understand an instruction or feel uncomfortable, I will stop and ask for help before continuing. The instructor may stop any activity that cannot continue safely. The safety briefing is always required.

I have read these terms, had the opportunity to ask questions, and understand the policies I have initialed. Any separate liability release or risk agreement must be reviewed and signed through the required enrollment process.
