Disclaimer: This is only a sample policy. The sample should not be interpreted as legal advice and the information contained herein should not be construed as our recommended policy for your business, nor should it be considered a substitute for professional legal advice. Prior to use, the template should be customized to the needs of your business and reviewed with a licensed legal professional with whom you have an attorney-client relationship.

Furthermore, any sample language regarding Federal, State, or Local laws, policies pertaining to those laws, in relation to firearms, ammunition, and related products sold by your business are not the recommended policies of our firm. Please review them carefully with a licensed legal professional with whom you have an attorney-client relationship.

SHIPPING INFORMATION

You can check your order status on the Order History page of your Account Dashboard. Log in to your account or go straight to your Order History if you're already logged in. If a tracking number was provided, you will be able to see exact shipping details.

NOTE: There is an additional shipping charge for orders that weigh over 50 lbs. If applicable, this additional charge will be reflected in your total shipping costs.

SHIPPING RESTRICTIONS

Lakeside Defense Modifications does not currently ship any item to PO Boxes, Alaska, Connecticut, Hawaii, Puerto Rico, or to APO/FPO.

Lakeside Defense Modifications does not ship suppressors to Alaska, California, Connecticut, Delaware, Hawaii, Illinois, Massachusetts, New York, New Jersey, or Rhode Island.

AMMUNITION: Ammunition must ship Ground. On average, ammunition orders will, after processing time, take between 3 to 5 business days to arrive at your provided shipping address.

SUPPRESSORS: Orders containing a suppressor will not ship until all legal requirements have been met. This includes receipt of ATF approved tax stamp, successful completion of the ATF Form 4473, and a chief law enforcement officer (CLEO) notification with seven-day required waiting period (to begin after confirmed delivery and acknowledgement of said notification by a chief law enforcement officer). Once all legal requirements have been met, silencers are shipped in a two-leg route: first from a warehouse to a licensed location in your state, and then from the licensed location in your state to your front door.

EXPEDITED SHIPPING: Expedited shipping methods may be added for additional cost for some items. The shipping options available will display in the checkout process. These expedited shipping methods are subject to Monday-Friday business day operations and DO NOT include Saturday delivery. For Saturday delivery please contact us prior to purchase. There is no expedited shipping method for ammunition purchases.

FREE SHIPPING: Any free shipping promotions do not apply to bulk orders or to expedited shipping. The minimum purchase amount to qualify for each free shipping offer does not include firearms processing fee or tax.

PACKAGE PROTECTION

We now offer flat-rate Package Protection as part of our shipping and delivery services for all Products ordered from the Lakeside Defense Modifications website (www.lakesidemods.com) up to \$5,000.00.

If you're not sure if your order qualifies for Package Protection, please contact us at contact@lakesidemods.com.
